Enabling the Continuity of Today’s and Tomorrow’s Vital Applications

Capabilities

With a history of industry-changing solutions and a well-earned reputation for innovation, Vertiv continues to raise the bar in the areas of power, cooling, access and control, monitoring, and manageability.

Infrastructure and Solutions

- AC Power
- DC Power
- Energy Storage
- Industrial Solutions
- IT Management
- Secure KVM Switches
- Management Systems Solutions
- Thermal Management

IT and Edge Infrastructure

- Edge Solutions
- Rack
- Rack PDU
- Rack UPS
- Rack Thermal

Services

- Electrical Reliability Services
- Project Services
- Preventive Maintenance
- Remote Services
- Equipment Upgrades & Replacements
- Spare Parts & Parts Management

Company Data

Employees:
27,000 Worldwide

Revenue:
USD $5.7 Billion. (Fiscal 2022)

Headquarters:
Westerville, Ohio, USA

We offer a broad range of power, thermal and infrastructure management offerings with a well-established footprint and supply-chain network around the world. We design, build and service the mission critical technologies that support the vital applications in data centers, communication networks and commercial and industrial environments.

Our global service organization is located in every world region equipped to handle the toughest challenges.

Pre-Fabricated, Customizable Solutions

- Network Closet
- Micro Data Center
- Edge Data Center
- Core Data Center
- Colocation and Cloud
- Cable Landing Station

High Density Thermal/Power Solutions for HPC/AI Environments

IDC705 Compliant Containers
Differentiators

- Nearly three-fourths of Fortune 500 companies rely on Vertiv to help ensure continuity with their IT data center inventory, power and thermal/cooling and/or space management needs.
- With 250+ service centers and nearly 3,000 field service engineers globally, Vertiv serves nearly 22,000 customer sites and remotely monitors 10,000+ businesses.
- Vertiv has more than 20 years’ experience in infrastructure management delivering vendor-agnostic monitoring tools to more than 5,000 customers.
- Vertiv supports some 5,000 global customers with 100+ parts-distribution centers and nearly 3,000 field service engineers ready to respond at a moment’s notice.
