

# SAFETY AND REGULATORY STATEMENTS

For more information on this product, visit [www.VertivCo.com](http://www.VertivCo.com) to download the user manual.

## Safety Symbols

One or more of the following symbols may be included in your product documentation and/or on the product.

**Instructions:** This symbol is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the product user manual.

**Dangerous Voltage:** This symbol is intended to alert the user to the presence of uninsulated dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

**Protective Grounding Terminal:** This symbol indicates a terminal which must be connected to earth ground prior to making any other connections to the equipment.

**Power On:** This symbol indicates the principal on/off switch is in the on position.

**Power Off:** This symbol indicates the principal on/off switch is in the off position.

**Lithium-ion Battery:** This symbol indicates that the product contains a lithium-ion battery.

## Safety Precautions

**WARNING:** To avoid a potentially fatal shock hazard and possible damage to equipment, please observe the following precautions.

- Do not disable the power grounding plug. The grounding plug is an important safety feature.
- Plug the power cord into a grounded (earthed) outlet that is easily accessible at all times.
- Disconnect the power from the product by unplugging the power cord from either the electrical outlet or the product. The AC inlet is the main disconnect for removing power to this product. For products that have more than one AC inlet, to remove power completely, all AC line cords must be disconnected.
- Do not connect this product to the Public Switched Telephone Network (PSTN).
- This product has no serviceable parts inside the product enclosure. Do not open or remove product cover.

**CAUTION:** Some Vertiv™ products contain a lithium battery. For these products, a symbol indicating a battery will be shown on the product label. This battery is not a field replaceable item, and replacement should not be attempted by a user. If errors occur when using the product and the battery is suspected, contact Technical Support.

**WARNING:** For Service Personnel Only - There is a risk of explosion if the battery is replaced with an incorrect type. Dispose of used batteries according to the manufacturer's instructions.

This product is for use with other products that are approved as Listed Information Technology Equipment (I.T.E.) by a Nationally Recognized Testing Laboratory (NRTL), such as UL, ETL or CSA.
