

# Vertiv™ Frame Rack Vertical Cable Manager Compact

Recessed mounting for reduced footprint

## Highlights

The Vertiv™ Frame Rack Vertical Cable Manager Compact is engineered for environments where space efficiency and cable routing are top priorities. With a recessed mounting option to reduce floor footprint and 10" width, the VCM offers advanced cable routing without compromising room layout. Ideal for modern, tight-footprint installations, the VCM merges reliable management capabilities with a streamlined presence.

## Typical applications

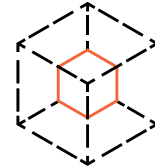

Perfect for rack systems where space, visual continuity and high-density cable management converge.

### Ideal for:

- Data center aisles where minimal protrusion is required
- High-end IT closets with tight spacing
- Edge or co-location facilities where footprint matters
- Cleanroom or corporate-floor deployments needing discreet cable infrastructure
