Overview

With the Vertiv™ Trade-in program, your customers can save money with valuable discounts on the state-of-the-art Vertiv™ Avocent® ACS console or Vertiv™ Avocent® MPU KVM Switch while eliminating all of the hassle and cost involved with removing and recycling their old units.

The Vertiv Trade-In program makes it easy to upgrade their aging infrastructure and provide their critical facility the access it demands.

Register your deal

For your customers to be eligible for discounts, a deal must be registered. Approvals will be received within 4 hours of request.

If a deal registration is already submitted, and a Trade-In must be added at a later date, you can contact Trade.In@vertiv.com to have the program added.
