High-Visibility Marking Tape

## KEY FEATURES

- High-visibility optical orange.
- Easily installs on any size Vertiv BBE PRO series.
- No special tools required.
- One part number for all size pedestals.
- Long term weather-ability.

## Description

The Vertiv™ BBE PRO Series is a wide strip of durable self-adhesive optical orange tape, 27-in. long by 1.5-in. wide.

## Application

The High-Visibility Marking Tape is intended for use on Vertiv BBE PRO series pedestals located in remote areas, tall grass, or snow, where heightened visibility would be beneficial. One or two self-adhesive strips may be attached around the top circumference of the Vertiv BBE PRO series just beneath the handles. Strips are easily trimmed with a pair of snips.
