Effective October 1st, 2026 (or while supplies last), Vertiv PowerIT Metered Standard/Surge Rack PDU models will be discontinued. This decision is driven by customer migration to Intelligent Rack PDU models, as well as the limited availability of a critical component used in this product line. The last day orders will be accepted is September 30th, 2026 (or while supplies last).

A detailed list of the affected products is shown below. No direct replacements will be offered, however, the Vertiv™ PowerIT Metered Upgradeable Rack PDU will remain available and has many comparable SKUs. Please contact inside sales at 1-800-432-3219 to identify an appropriate replacement.
