Effective May 30, 2018 the Vertiv MPH2 Rack PDU product family will begin the EOL process with end of distribution on January 31, 2019.

With the recent addition of Geist Global to the Vertiv family as our Rack PDU Center of Excellence (COE), the transition to Geist-branded Vertiv™ Rack PDUs will offer several strategic advantages to our customers, including:

- A unified, global Rack PDU platform
- Quicker lead times with just-in-time, build-to-order, global manufacturing
- Standard options for colors, cord lengths, etc. without SFAs
- Ability to provide extensive customized solutions (i.e. SFAs) much faster
- Integration with existing Vertiv hardware and software solutions
